**ANJR CERTIFIED RECYCLING PROFESSIONAL (CRP)  
 SCHOLARSHIP APPLICATION**

The ANJR Certified Recycling Professional Scholarship was established in 2013 for individuals who are interested in pursuing a career in the field of recycling in the State of New Jersey.

- The purpose of the scholarship is to provide funding to a qualified applicant who is an ANJR member in good standing to complete the full series New Jersey Recycling Certification Program, offered by the Rutgers University Office of Continuing Professional Education: ([http://www.cpe.rutgers.edu/programs/recycling\\_solid\\_waste.html](http://www.cpe.rutgers.edu/programs/recycling_solid_waste.html)).
- Since the inception of the NJ Recycling Enhancement Act (REA) by the New Jersey Department of Environmental Protection (NJDEP), it is a requirement that all municipal recycling tonnage reports or other recycling-related documents be signed/certified by a Certified Recycling Professional (CRP).
- The ANJR Board of Directors believes a scholarship program will provide an opportunity for training and experience in the field of solid waste and recycling.
- In selecting a recipient, the ANJR Board will consider the civic and educational achievements, along with financial need of all applicants.
- The scholarship will cover direct tuition cost to Rutgers University for the completion of the New Jersey Recycling Certification Program.
